The following report on Mississippi College was submitted and partially discussed, the pending of which, on motion, the Association adjourned to 9 o'clock Friday morning.

Prayer by Brother J. L. Roane.

SECOND DAY—MORNING SESSION.

The Association met and was called to order by the Moderator.

Prayer by Brother A. A. Bruner.

The discussion on Mississippi College resumed, after which the report was adopted as follows:

REPORT ON MISSISSIPPI COLLEGE.

Whenever allowed by freedom from persecution, the Baptists have always been among the foremost in providing for the education of their children. The very knowledge of Scriptural things stimulates a desire for intellectual intelligence, and one of the great advantages of Mississippi College is that it affords religious instruction along with its intellectual training. The professors are all Christians and are Baptists who not only train the mind but also the heart. Each irreligious student is thrown with companions whose influence tends toward the paths of virtue, which we all know is a powerful factor in forming the habits of after life. We hear much about endowments, but what the College most needs is patronage. Brethren, send your boys to Mississippi College, when you send them off to school, and you will never have occasion to regret it or say that you made a mistake in the education of your children.

Respectfully submitted,

PITTSBORO CHURCH.

The following report on Sabbath Schools was submitted by Sarepta church, which was discussed and adopted:

REPORT ON SABBATH SCHOOLS.

We regret to find a lack of interest in Sabbath Schools, and urge the importance of the churches in the Calhoun Association to take a greater interest in Sabbath Schools. We are taught in the Scriptures to train up our children in the fear and admonition of the Lord, and we don't see any better way than in Sabbath Schools. We urge the churches in this Association to organize schools and send up delegates to the Sabbath School Convention, which will convene with Spring Creek church.

Respectfully submitted,

SAREPTA CHURCH.

The report on State Missions was submitted by Spring Creek church, which was discussed at length, pending which the Association adjourned for preaching.

AFTERNOON SESSION.

The Association met and was called to order by the Moderator.

Prayer by Brother J. A. Coker.

The further consideration of the report on State Missions was resumed and after further discussion the report was adopted as follows:

REPORT ON STATE MISSIONS.

Your committee on State Missions would recommend that we should heed the injunction of our Blessed Saviour, to "Preach the Gospel to every creature." In our State and territory there is destitution where the Gospel should be preached. Our missionaries and colporteurs are doing a grand and glorious work by preaching the Gospel and distributing religious literature in the destitute portions of our State, under the supervision of our Convention Board. Your own Executive Board has secured the services of Elder J. A. Killingsworth during the present year, who has done faithful work, and we hope has accomplished great good by preaching and distributing religious literature in the bounds of Calhoun Association, and we earnestly solicit the co-operation of the brethren and sisters in this noble cause.

What has been done has only laid the foundation for a broader work in the future, and we earnestly solicit your prayers and contributions, that the Lord may bless and reward our efforts in this grand and glorious work.

Respectfully submitted,
SPRING CREEK CHURCH.

The report on Education was submitted by Concord church and was discussed and adopted, as follows:

REPORT ON EDUCATION.

Education is one of the greatest temporal blessings that we have ever been blessed with, and one that has been greatly neglected. It is the imperative duty devolving upon all parents to educate their children and to bring them up in the fear and admonition of the Lord, that when they grow old they will not depart from it; nor does it stop here, but we should all be educated in Christian knowledge, and our walk should be in the path of Christian rectitude and duty, for we are setting an example before our children daily, either for good or evil. We should not fashion ourselves according to our former lusts in ignorance, but be governed by the blessed truths as revealed to us through God's word, and may the Lord consecrate the pen of every servant of Christ so that streams of peace and living truths may flow in every direction for the refreshing of all those who are on their way to glory.

Respectfully submitted,
CONCORD CHURCH.

The report on Temperance was submitted and partially discussed, pending which, on motion, the Association adjourned to Saturday morning at 9 o'clock.

Prayer by Elder Hamp. Winter.

THIRD DAY—MORNING SESSION.

The Association met and was called to order by the Moderator.

Prayer by Brother J. S. Hubbard.

The consideration of the report on Temperance was resumed, and report adopted, as follows:

REPORT ON TEMPERANCE.

Intemperance is a monster evil, and it behooves every Christian to speak out boldly, and in unmistakable language against a sin of such magnitude as it is.

There are more hearts broken and homes made desolate by this one great sin (the liquor traffic) than any other known to the Christian world. It is the duty of every Christian to abstain from the very appearance of evil. If we do this we will avoid liquor as a beverage, as we would the pangs of an adder. We would earnestly urge upon our churches the duty of exercising a more rigid discipline in regard to intemperance among their members. We believe that Christians should be disciplined every time they take a dram as a beverage. May we all send up one united petition that God will help us subdue this great monster, which the Devil uses so often to tempt our brethren.

Respectfully submitted,
MACEDONIA CHURCH.

The report on publications was submitted by Poplar Springs, which was discussed and adopted, as follows:

REPORT ON PUBLICATIONS.

We would recommend the Bible as the book of all other books. We would further recommend that the "Southern Baptist Record," published at Meridian, Miss, as a sound paper and bold defender of the Truth as it is in Christ. We recommend the "Foreign Mission Journal," which gives the work of our missionaries in foreign fields. We further recommend "Kind Words" and the "American Baptist Publications" as sound and worthy of our patronage.

Respectfully submitted,
POPLAR SPRINGS CHURCH.

Report on Foreign Missions was submitted by Turkey Creek, which was, after being ably discussed, adopted as follows:

REPORT ON FOREIGN MISSIONS.

While Our Saviour was on the earth He commanded His disciples to go forth into all the world and preach His Gospel to every creature. Also in 2nd Tim., 2:2, Paul speaks to Timothy on the subject of missions: "And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also." So we see that we are successors to the Apostles through faithful men in the promulgation of the Gospel. Dear brethren and sisters, the Gospel has been committed to each of you through faithful men; what are you going to do about it? Oh! In the name of Christ, what are you going to do about it? Do you propose to stop your part of the work, or do you propose to hand it down to others? Lord help us to commit it to others in the name of Our Saviour?

Our foreign missionaries are calling for help; they need help. Our Board cannot supply them because the churches will not supply the Board with the means. The Calhoun Association paid last year about 1½ per cent. per capita for this work.

Is that faithfulness? Shame! Shame!

¹ We urge the pastors to set this work clearly before their churches, and see that all have a chance to do their part.

Respectfully submitted,
TURKEY CREEK CHURCH.

REPORT ON NOMINATIONS

Your committee would recommend Elder Lee Linder to preach the Introductory Sermon at our next meeting and Elder W. G. Morehead, alternate, and W. G. Brantly, H. W. Seale and J. D. Morgan as an Executive Board.

Respectfully submitted,
J. M. GOODWIN,
Chairman.

Preaching having been dispensed with at 11 o'clock, on motion, the body adjourned one hour for refreshments.

AFTERNOON SESSION.

The Association convened at the appointed time and was called to order by the Moderator.

Prayer by Elder Hamp. Winter.

REPORT ON FINANCE.

We, your committee on Finance, would report money for minutes, \$35.25, and for Sabbath school minutes, \$2.50; total, \$37.75.

Respectfully submitted,
H. W. SEALE,
Chairman.

REPORT OF EXECUTIVE BOARD.

We, your Executive Board, in obedience to a resolution adopted at the last meeting of this Association instructing the Board to employ a missionary and colporteur for his entire time in the bounds of this Association, went forward as we were instructed to do and employed Elder J. A. Killingsworth on a salary of \$400.00. We further made arrangements with the American Baptist Publication Society by which the society donated to us \$100.00 in books and tracts, which amount was applied to the payment of our missionary, leaving \$300.00 to be raised by the Association, which we hope you will raise promptly and sustain the *work* and carry out the *letter* and *spirit* of your resolution. Brethren, we cannot afford to fail in this grand work. A detailed statement of the work by Brother Killingsworth is hereby submitted.

Respectfully submitted,
A. B. HENDERSON,
